SBCivil Writ Petition No.3979/2006

Laxman Singh
Vs.
State of Rajasthan & Ors.

Date of Order :: 30th August, 2006

HON'BLE MR.JUSTICE GOVIND MATHUR

Mr. Shambhoo Singh, for the petitioner.

....

Counsel for the petitioner at the outset stated that S.Vakil Ahmed Teachers Training College, Murgiachak, Darbhanga and S.Vakil Ahmed Teachers Training College, Laharia Sarai, Darbhanga are not two different institutions but is one and same Teachers Training College.

By this petition for writ a challenge is given to the decision of respondent Rajasthan Public Service Commission rejecting candidature of the petitioner to face selection proceedings for the purpose of appointment to the post of Teacher Gr.III by appearing in Primary and Upper Primary Schools Teachers Competitive Examinations 2004. The respondent Commission rejected the candidature of the petitioner being lacking the qualification required for appointment to the post of Teacher Gr.III.

It is submitted by counsel for the petitioner that the petitioner is having Bachelors Degree in

Education from S.Vakil Ahmed Teachers Training College, Murgiachak, Darbhanga, therefore, is eligible to appear in the examination concerned.

Heard counsel for the petitioner and perused the record.

From perusal of the order dated 8.5.2005 (Anx.8) it is clear that the degree possessed by the petitioner has already been cancelled by L.N.Mithila University, Makeshwar Nagar, Darbhanga. In view of the fact that the degree possessed by the petitioner has already been cancelled, the petitioner cannot be treated as a person having bachelors degree in education, i.e. a qualification necessary for appointment as Teacher Gr.III. On conciliation of the degree referred above, the petitioner cannot be said to be having qualification required. Accordingly, the respondent Commission has not committed any error in rejecting candidature of the petitioner from appearing in the examination concerned.

In view of it, the writ petition is having no merit and the same, therefore, is dismissed.
